ENGINEERING DEPARTMENT

BUILDINGS DIVISION, BANGALORE.

Notification dated 22nd October 1956.

Sealed tenders in duplicate are invited for running a canteen in the premises of Executive Engineer's Office, Buildings Division, Bangalore, under following conditions for a period of three years from 12th November 1956.

The tenders should be accompanied by a treasury challan for having paid Rs. 200 towards earnest money for the tender which should be superscribed as "*Tender for Running a Canteen in the Premises of Executive Engineer's Office, Buildings Division, Bangalore*". The amount should be credited to 'P. W. Deposits and Advances—Revenue Deposits' in Treasury, without which the tenders will not be considered.

The last date of receiving tenders will be on 6th November 1956 up to 3 P.M.

8059

Notification dated 22nd October 1956.

Tenders will be received in the Office of the Executive Engineer, Buildings Division, Bangalore, up to 3 P.M. on 12th November 1956, for the following work :—

Name of work	Amount of estimate	Earnest money
	Rs.	Rs.
Construction of an ornamental parapet wall in front of the revolving fountain of Glass House, Lal-bagh.	12,870	535

1. Each tender must be accompanied by a duplicate chellan for having deposited the earnest money noted

against the work into the Reserve Bank of India, Bangalore, to the credit of "P. W. Deposits—2 Advances, Revenue Deposits" in default of which the tender will be rejected.

2. Only on acceptance of one of the tenders, the earnest money of the rejected tenders will be returned.

3. Copies of the contract documents, schedules and drawings may be seen at the Office of the Executive Engineer, Buildings Division, Bangalore, on all working days between 11 A.M. and 5 P.M.

4. The tenderer need only mention the rates for each item of work of the abstract estimate both in words and in figures, at which he is willing to undertake the work, without which the tender will be rejected. The total cost of each item of work together with the grand total of each work should also be noted in the tender.

5. Tenders submitted in duplicate in other than the prescribed form will be rejected, the prescribed form being available at the Division Office on payment of Re. 0-8-0 per copy.

6. The detailed clauses defining the conditions of the tender can be seen at the Office of the Executive Engineer, Buildings Division, Bangalore.

7. Items not provided for in the estimate will be paid for as per schedule of rates or as per data worked out, if not provided for in the schedule of rates during the time of execution.

8. The sealed tenders received for the above work will be opened in the presence of such of those tenderers who will be present at that time.

9. If the work is not completed and handed over within the specified period, a fine of Rs. 50 will be levied for every fortnight's delay.

10. The final acceptance or recommendation for acceptance will rest with the Chief Engineer, Bangalore. The successful contractor should bind himself to abide by the departmental rules in force and execute the necessary *mutchalika* on receipt of intimation of acceptance of his tender, failing which, his earnest money will be forfeited.

11. Under no circumstances will a father and his son or other close relations be allowed to tender for the same contract as separate competitors. A breach of this condition will render the tenders of both the parties liable for rejection.

12. The submission of a tender by a contractor implies that he has read this notice and the conditions of the contract and has made himself aware of the scope and specifications of work to be done and of the schedule of rates, etc.

13. In all matters of disputes about rates, measurements, quantity and quality of work, etc., and in all other disputes of any kind, the decision of the Chief Engineer for Roads and Buildings in Mysore, Bangalore, will be final and legally binding.

14. The rates quoted shall hold good if the tender is accepted within six months from the date of tender and shall thereafter be binding for the execution of the entire work.

15. The contractors will please note that the conditions will in no case be relaxed.

16. Those who cannot abide by the conditions need not tender.

17. The work should be completed within *two years* from the date of issue of work order.

18. Tendered contractor has to pay compensation to the disabled workmen working under him for any injury caused during the execution of this work, failing which, the amount will be deducted from the bills and paid to the injured.

19. Sales-tax will be recovered at the prescribed rate on all work bills.

20. The tenderer should produce the Income-tax Clearance Certificate from the Income-tax Commissioner along with the tender without which the tender will not be considered.

21. Sales-tax and Income-tax Clearance Certificates should also be enclosed along with the tender in the prescribed form as per Government Order No. Fl. 4267-4416—S.T. 32-53-2, dated 20th August 1953 failing which the tender will be rejected.

1. Tenders should be submitted in duplicate and should there be any difference between the original and the duplicate, only the lower of the two will be considered.

2. The tenders will be opened in public at 2-30 P.M. on 26th November 1956. The work should be completed and handed over to the Department in a tidy condition within the period noted and the monthly progress should not be less than the amount specified against each work, failing which penalty as per agreement or departmental rules in force at the time will be enforced.

3. The plan, detailed estimate and the conditions may be seen at the Offices of the Executive Engineer, Electrical Division, Tumkur, the Assistant Engineer, No. 2, 4, 5 & 6 Electrical Sub-Division, Hassan Shimoga, Bellary and Jog or the officers, of the Power and Lighting of this Department for works in their sections on all working days during the office working hours.

4. Tenders are to be submitted in prescribed forms only which can be had from this office on payment of Re. 0-4-0 per set of form for each work or through post direct to intending tenderer provided the cost of forms *plus* postal charges (in case forms to be sent by post) is paid in cash and requisition be given well in advance. This office will not be responsible for delay or non-delivery of tender forms sent by post.

5. Each tender must be accompanied by a deposit specified as earnest money. The earnest money has to be paid in cash at this office or any Power and Lighting Office of this Department and receipt enclosed to the tender. In case of tender deposit of over Rs. 1,000 Government Promissory Notes of the Government of Mysore or of Dominion of India at their face or present value or Savings Bank Deposits in Mysore Government Treasury duly pledged in favour of the Executive Engineer, Electrical Division, Tumkur, may be accepted by the Executive Engineer at his discretion.

6. No tender will be received without deposit and no adjustment can be made from the pending bills or the deposits of other works towards the tender deposit of this work.

7. The final acceptance of any tender will rest with the Executive Engineer, Electrical Division, Tumkur, who does not bind himself to accept the lowest or any tender or to assign any reasons whatever for the rejection of any tender, who also reserves the right to accept or reject any portion of the tender.

8. The name of the successful tenderer will be posted on the notice board of the offices referred to in para 2 above in due course. No enquiries regarding the acceptance or rejection of tender will receive any reply.

9. Within 8 days of the award of the tender, the successful tenderer will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money forfeited. The work should be started within a week from the date of acceptance.

10. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned either in this office or through the Assistant Engineer or any of the Power and Lighting office of this Department on the tenderer submitting refund bill surrendering the Original receipt granted.

11. The contractor has to make his own arrangements at his cost for water required for construction, quarries, supply and transport of materials.

12. Specifications for Civil Engineering works are those recognized by the Public Works Department of Mysore and Marryot's Specifications (P.W.D. Hand-book, Bombay) and B.S.S. or A.I.E.E. Specifications for Electrical Works.

13. Only controlled articles like steel and cement, etc., will be supplied by the department at the nearest departmental stores at controlled rates *plus* incidental charges at 15 per cent or other percentage as per departmental rules in force at the time of issue of the materials.

14. Contractor himself should pay royalties, tolls, sales-tax and any other tax that may be prescribed by Government from time to time.

15. The contractor should furnish Income-tax and Sales-tax clearance certificates with the tender, failing which the tender will be summarily rejected.

16. The contractor should be bound by the conditions of the schedule of contract of the Electrical Department.

17. Payments of intermediate bills will be now made by the Chief Accounts Officer, with post-audit and payments of final bills only subject to pre-audit.

18. Contractors have to pay compensation, etc., as per Workmen's Compensation Act to the disabled worker working under them for injury or death caused during execution of work, failing which the amount will be deducted from their bills and paid to the injured or to their legal heirs.

19. Rates quoted for doors, windows and half windows shall hold good even if their sizes slightly changed during execution.

3. Tender should be accompanied by a treasury challan for having credited the earnest money to the Government Treasury under the head "Revenue Deposits". Tenders not accompanied by challan will be rejected. Arrears due to the contractors cannot be accepted in lieu of earnest money.

4. The final acceptance of the quotation will rest with the competent authority of the Public Works Department.

5. The successful tenderer should bind himself to abide by the Departmental rules in force and execute the necessary agreement within a week of acceptance of his tender failing which the earnest money will be forfeited to Government and the work will be disposed off otherwise.

6. The Department is not bound to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any.

7. The contractor should pay himself royalties, sales-tax or any other tax that may be prescribed from time to time by Government. The recovery of royalties and sales-tax will be deducted out of the bills provided that the tenderer expresses his willingness for doing so.

8. Workmen's compensation as per Government Order No. 4787-89—Irn. 21-52-1, dated 27th August 1952. Tenderer has to empower the Executive Engineer to effect such recoveries from his bills as may be necessary for payment of compensation to disabled persons employed under them, care being taken to see that Government is not put to any loss on any account.

9. The contractor will as far as possible recruit the personnel required by him through the nearest Employment Exchange in the region.

10. The Treasury challan of such of those who are not entrusted with the work will be returned to them to obtain repayment at the treasury.

11. The tender will be opened at 4-30 P.M. on 15th November 1956 by the Executive Engineer, No. 9 Survey and Designs Division or any one authorised by him.

12. The Executive Engineer reserves the right of distributing the work on piece work system amongst those who have quoted and who are willing to take up the work at the accepted tender rates.

13. The contractor should make his own arrangements for conveying materials.

14. Copy of the tender forms may be had from the office of the Executive Engineer, No. 9 Survey and Designs Division, Thyavanige on payment of annas (0-4-0) four for each form.

15. The plan and estimate and other particulars relating to the work will be available in the office of the Executive Engineer, No. 9 Survey and Designs Division, Thyavanige between 11 A.M. to 5 P.M. on all working days.

16. For lumpsum provision for items not provided in the estimate the rates will be paid as per current minimum schedule of rates. For items of work not found in the schedule of rates, the rates as per approved data will be paid.

17. The Sales-tax, Income-tax Clearance Certificates should be enclosed along with the tender. Tenders received without the certificates are liable to be rejected.

18. The contractor will have to make his own arrangements for water, required for the works, scaffolding materials, etc. No extra amount will be paid. A monthly progress as noted against each estimate respectively should be given.

19. If the work is not completed and handed over within the time fixed, a fine of Rs. 150 will be levied for every month's delay.

20. The tender should be submitted in duplicate only. The lower rates in two copies will be adopted in the event of their being the difference in the rate mentioned.

21. Controlled articles like cement, steel, etc., will be issued at rates current at the time of issue only on cash basis.

22. The contract should not be sublet, otherwise the tender will be cancelled and the earnest money forfeited.

23. The term "Specification" mentioned either in the schedule or in the estimate in the notified forms would mean "specific" items of work to be done according to the instructions of the P.W.D., with reference to design, calculations, etc., furnished during execution and no higher rates than tendered ones will be paid.
